EARTHQUAKES OCCUR AT

Regglo, Jan. 5 .- Earthquakes O have occurred here today at O intervals of twenty minutes At noon a quake stronger than O the others, caused a number of standing walls to collapse and created a condition of O panic among the survivors. It O is not thought there were any O 0000000000

continuing here, although they are among the res-diminishing in intensity. At night birth to babies. especially, are they frequently felt. The fires in the city also are being gradually extinguished.

The official figures compiled thus far snow that fourteen thousand bodies have been buried in railroad ceme teries, that 9,000 refugees have left the city and that 9,000 persons still remain here. Instead of excavating in an endeavor to find the bodies buried beneath the ruins, it has been oposed that every house in which is believed persons are buried, shall be covered with quick lime.

The Associated Press correspond ent has made a visit to Reggio and carefully inspected the town. The number of persons killed there and the damage done to property was much less than at Messina. Only the central section of the city was damaged. About 5,000 troops are working there

The official figures place the wounded at Reggio at one thousand and the refugees at seven thousand. The number of dead in the ruins is not known Reggio has been practically evacuatrines from two British warships who Red Cross headquarters.

earthquake.

Within a few days, the rescue work at 2, 3 and 4. Regglo will have ceased. Then the tottering buildings will be razed and the bodies that have been buried will be The Associated Press had the first correspondent on the scene at Mes-

He found a condition of utter confusion existing. The first shock of earthquake virtually had thrown down the entire city. The Italian soldiers were overwhelmed and in a state of bewilderment wandered over the ruins in squads numbering from three to Little work was done until the arrival of crews from the Russlan and British warships, which worked valiantly. Especially was this true of the Russians. The bodies of the dead lay every

where on the surface of the ruins, and limbs protruded here and there from the wreckage. The small first aid stations were overcrowded with injured and scores of others were hastily established as soon as possible by Rellef corps from Italian cities and the Russian, French, German and British

COMMENTS FOLLOWING PRESIDENT'S MESSAGE

Council Bluffs, Ia., Jan. 5 .- Tinley Emmett, counsel for Charles T. Stewart, under indictment by the federal court at Omaha, charged with land fraud, and of whom President Roosevelt's message to congress has some strong criticism last night, gave to the Associated Press a statement in which he declares that "there will not be a single witness offered by the government who will testify in accordance with the statement made by

the President." He also says the president is in error in nearly every statement presented as coming from the secret service men, so far as these statements refer to the Stewart case.

Edward E. Hart, whose name the President mentions in the same connection, is a prominent local capitalist. Mr. Hart declares that the Pres ident's utterances are the result of inaccurate reports made to him.

PROMINENT KANSAS CITY ARCHITECT IS DEAD

Kansas City, Jan. 5.-Frank May nard Howe, architect, died last night at his home here. Mr. Howe designed the Electric building at the World's Columbian exposition in Chi cago in 1893, and the varied industries building at the Louisiana Pur at Portland, Ore.

### KILLS SON HIS FRIEND

He Lay in Wait for One Who Sent Threatening Letters to Him

Chicago, Jan. 5 .- William Moeltenn, 59 years old, who had been threatened with death unless he put \$500 at a place named in a notice osted on his door, last night borrowed a rifle from a friend and after valting in the dark shot and killed Gerett Scholens, the son of the friend leased after the coroner's inquest.

who had loaned him the gun. It was case of mistaken identity. Earlier in the day Moeltentin told to Joseph Scholens, the father of the boy he shot. "Don't take any chances with those fellows," said the elder Scholens. 'Here's my rifle. Walt for them and

if any appear shoot them."

Moeltentin posted himself at a dark window of his room. Meantime, some detectives had been ordered to the place, but unable to find it they ask ed the boy Scholens to show them. He consented and was leading them toward the house when the window was opened and the shot fired.

OBTAINED MONEY UNDER FALSE PRETENSES

Washington, Jan. 5 .- The federal grand jury yesterday returned an in dictment against Jules M. Waterbur charging him with false pretenses in securing money from Senator Bur rows of Michigan and Representative Hull of Iowa and Barthold of Missouri as well as from Assistant Attorney General Ormsby McHarg.

Waterbury is charged with having represented himself as an employe of the Associated Press and of having secured the money by pretending that was the desire of the Associated Press to obtain photographs of the complainants. It was brought out at the hearing before the grand jury that Waterbury was not employed by the Associated Press and never had been

# FIRE

Boy Threw Lump Into Grate-Fire Causing Awful Explosion

Ynez, Ky., Jan. 5 .- Three lives were Allen Cassell, a wearthy planter, yesterday. Cassell's wife and son were burned to a crisp and his step-daughter died shorty afterward. The boy set a can of powder near the grate fire. He noticed a small white tumb in the can, and not thinking it to be powder, threw it into the flames. The lump exploded, setting the can on fire

## RANCHMEN ARE ARRESTED

CHARGED WITH DESTROYING PROPERTY OF SHEEP COMPANY.

Methods Similar to Those of Night Riders Were Discovered by Noted Wyoming Cattle Detective.

Newcastle, Wyo., Jan. 5.-Nine prominent ranchmen of Crook county and one ranch hand, it just transpires, are under bond to appear at the May nor does he lament the turn affairs term of court to answer charges of burning and otherwise destroying property belonging to the Guthrie Sheep company, in an effort to drive taining to themselves the use of the grazing for cattle.

According to alleged confessions of three of the men arrested and placed under bond, the raids were planned at ter the night rider system now being exposed in Tennessee, without the masked feature. Secret meetings held stealthy attacks upon designated propleged conspiracy. The cases against the men were worked out by a noted Wyoming cattle detective and it is hinted that threats of assassination have been made against him and others connected with the investigation.

CONDEMNS LIFE IN AIRLESS FLATS

Chicago, Jan. 5 .- In pursuance of the present agitation for fresh air in street cars Edward E. Pritchard, sec-brutally murdering Volly Mann on retary of the health department, has attacked flat life in large cities. "The all wise God," says he, "never intended people to live in flats. There can no feeling of the existence of the Divine Being in the crowded living places shut off from the healthful light and air. Why many mothers and fathers in Chicago have moved so much from flat to flat that they cannot remember where some of their children were born. Air in the street cars is worse than air in sewers. If a man was given his choice of living continually in a Chicago car and the mouth of one of its sewers he would be wise to choose the sewer habita-

# OCCURS

Two Men Hacked to Pieces, Woman Torn From Dying Husband

San Diego, Cal., Jan. 5.—News is just received of a startling tragedy near Vallecito, close to the Mexican toundary, on Christmas eve, when two men were hacked to pieces and a young woman was torn from her dy-ing husband and carried into the mountains. The report comes from Mesa Grande, Banner and Julian. The nien killed are said to have been Jose Rodriguez and Victor Cota. The woman alleged to have been abducted was Cota's wife, Emanuela. The Co as have been living on a ranch in he mountains back of Banner. On the day before Christmas, Rodriguez Nuncio Berdugo called at the place. Two days later a horseman stopping at the house found signs of a terrible affray. He gave the alarm. Neighbors went to the ranch. They found Rodriguez badly mutilated by knife wounds and Cota also stabbed to death. The woman and Berdugo were missing, but tracks of a man and woman leading toward the boundary were found and it is supposed they

The first report received here was that there had been a bloody affray among cattle men. Later advices are

DENOUNCES CHRISTIAN SCIENCE MOVEMENT

Chicago, Jan. 5 .- In an address bristing with denunciatory terms the Rev. Johnston Myers last night arraignes Christian Science as one of the greatest menaces of modern times. The accusation occurred in a speech upor Christian psychology in which Dr. My ers advocated the program of the men tal treatment, which also include: drugs and physicians, as outlined by

Bishop Fallows. He denounced the entire Christian Science movement as a fabric of lies and fraud "built upon a foundation of error," and declared that to his own personal knowledge, "the persuasion" was responsible for scores of deaths. He himself had charge of at least one

Arthur Davis, who has been detained by the police for several days in connection with the mysterious killing of C. P. Essick, the aged Woodman of the World clerk, was last night released after the coroner's inquest.

MORDER RELEASED.

mob, Sheriff Beal ordered the chauffeur to go through the mob, and, with horn tooting, the automobile proceeding the mob, and, with horn tooting, the automobile proceeding the mob finally was eventually reached and Dale securely locked up. The mob finally dispersed. The mob finally dispersed the clock struck street. Just before the colok struck street. Just before the colok struck street. Just before the felt ill. A moment later at the world clerk, was last night released after the coroner's inquest. ment for his prisoner.

#### CLOSING QUOTATIONS OF WORLD'S MARKETS

TONE OF THE STOCK
MARKET IRREGULAR

New York, Jan. 5.—Opening prices of stocks today were not much changed from last night, but the tone was very irregular and the trading active. Running sales of thirty-five hundred shares of Consolidated Gas were made at 140 to 138 1-2 and the price subsequently broke to 138 1-2 compared with 141 at the close last night. The weakness of Consolidated Gas was ignored for a time. This stock fluctuated nervously for a long white within a range of a point or two, and then suddenly broke violently to 132, a loss of nine points, which precipitated heavy selling elsewhere and caused numerous reactions of a point or more.

A brisk rally followed.
